The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**JOINT RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF  
LOS ANGELES AND THE CITY COUNCIL OF THE CITY OF SANTA CLARITA TO  
TRANSFER JURISDICTION OVER AND APPROVING AND ACCEPTING THE  
NEGOTIATED EXCHANGE OF BENEFIT ASSESSMENT REVENUE FOR  
LANDSCAPE AND LIGHTING ACT DISTRICT (LLA) NO. 2, ZONE NO. 47  
NORTHPARK; SITUATED WITHIN THE TERRITORIAL BOUNDARIES OF THE CITY  
OF SANTA CLARITA; FROM THE COUNTY OF LOS ANGELES  
TO THE CITY OF SANTA CLARITA  
(Fifth District – 3 Vote Matter)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the approval of the Joint Resolution for the transfer of jurisdiction over Landscape and Lighting Act (LLA) District No. 2, Zone No. 47 Northpark ("Zone 47"), situated within the territorial boundaries of the City of Santa Clarita, from the County of Los Angeles to the City of Santa Clarita, is categorically exempt from the California Environmental Quality Act (CEQA) according to the sections of the State CEQA Guidelines and the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987 cited herein.
2. Acting as the governing body of LLA District No. 2, Zone No. 47 Northpark; authorize the Chairman of the Board to sign the Joint Resolution transferring jurisdiction over the above described District, and approving and accepting the negotiated exchange of benefit assessment revenue for LLA District No. 2, Zone No. 47 Northpark, from the County of Los Angeles to the City of Santa Clarita, effective upon Board of Supervisors approval.
3. Approve the Termination for Convenience of a portion of the Copperhill Area Zone Landscape Maintenance Agreement, Contract Number 74755, covering the maintenance of Zone 47.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The recommended actions would result in the transfer of jurisdiction of Zone 47 from the County of Los Angeles to the City of Santa Clarita, and approve and accept the negotiated exchange of benefit assessment revenue in Zone 47 effective upon Board of Supervisors approval.

These actions are in accordance with Section 22612 of the Streets and Highways Code of the State of California ("Streets and Highways Code"), and Section 99 of the Revenue and Taxation Code of the State of California ("Revenue and Taxation Code").

On January 11, 2006, the Local Agency Formation Commission (LAFCO) approved the annexation of territories included in Zone 47 from the County of Los Angeles to the City of Santa Clarita. The Santa Clarita City Council approved and adopted the attached Joint Resolution at its regular meeting on January 9, 2007.

As a result of the transfer of jurisdiction of Zone 47 to the City of Santa Clarita, the City will be providing landscaping services through its own procured contractor. Therefore, it is in the best interests of the County that the portion of, Contract 74755, pertaining only to Zone 47, be terminated for convenience.

### **Implementation Of Strategic Plan Goals**

These actions will further the County's Strategic Plan Goal of Fiscal Responsibility (Goal Four). These recommendations, in compliance with the Landscaping and Lighting Act of 1972 and Article XIID of the California Constitution, will allow the County to transfer jurisdiction over Zone 47 from the County of Los Angeles to the City of Santa Clarita, effective upon Board of Supervisors approval.

### **FISCAL IMPACT/FINANCING**

The County's operation of Zone 47 has been fully funded from benefit assessments which have accrued therein. The Fiscal Year 2005-06 Board adopted benefit assessment revenue for Zone 47 is \$560,000. The Fiscal Year 2005-06 assessment per parcel and Fiscal Year 2006-07 assessment per parcel for Zone 47 is included on Appendix A.

Neither County operation of this Zone nor transfer to the City has an impact on the County General Fund. This Department recommends approval of the transfer of jurisdiction of Zone 47 to the City and accepting the negotiated exchange of benefit assessment revenue to enable the local unit of government to assume direct control of the services benefiting its residents.

### **FACTS AND PROVISION/LEGAL REQUIREMENTS**

Section 22612 of the Streets and Highways Code provides that if all of the territory of a district is included within one city as a result of an annexation, the legislative body may transfer jurisdiction over the district to the city council of the city by a joint resolution setting forth the mutually agreed upon terms and conditions under which the transfer is to take place.

Section 99 of the Revenue and Taxation Code provides that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service areas or service responsibilities would be altered by such change must determine the amount of benefit assessment revenue to be exchanged between the affected agencies and approve and accept the negotiated exchange of benefit assessment revenue by resolution, but if the affected agency is a special district, the Board of Supervisors must negotiate on behalf of the district.

County Counsel has approved the enclosed Joint Resolution as to form.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

None.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed transfer is exempt from CEQA according to Sections 15306 of the State CEQA Guidelines and Class 6 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, because CEQA does not apply to projects consisting of basic data collection. CEQA does not apply to the establishment, modification, structuring, or approval of rates, tolls, fares, or other charges by public agencies.

Approval of the transfer is also exempt from CEQA because it is for the purposes of (1) meeting operating expenses including employee wage rates and fringe benefits, (2) purchasing and leasing supplies, equipment or materials, (3) meeting financial reserve needs and requirements and/or (4) obtaining funds for capital projects necessary to maintain service within existing service areas, pursuant to Section 21080 (b) 8 of the Public Resource Code.

**WHEREAS**, Section 22612 of the Streets and Highways Code of the State of California provides that if all of the territory of a district is included within one city as a result of an annexation or incorporation, the legislative body may transfer jurisdiction over the district to the city council of the city by a joint resolution setting forth the mutually agreed upon terms and conditions under which the transfer is to take place; and

**WHEREAS**, the County represents that the Contract is in full force and effect, that County is unaware of the cancellation of any insurance policy held by the contractor, and that, to the best of County's knowledge, there has been no material breach of the Contract; and

**WHEREAS**, the County and the City consent to the transfer of jurisdiction over the portion of Zone No. 47 located within the territorial boundaries of the City from the County to the City; and

**WHEREAS**, the City Council of the City has authorized the City Manager or his designee to accept the transfer of Zone No. 47 on behalf of the City and has authorized

the City Manager or designee to execute all documents necessary to complete the transfer of Zone No. 47 from the County to the City; and

**WHEREAS**, pursuant to Section 99 of the Revenue and Taxation Code of the State of California, prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service areas or service responsibilities would be altered by such change must determine the amount of Assessment Proceeds to be exchanged between the affected agencies and approve and accept the negotiated exchange of Assessment Proceeds by resolution, but if the affected agency is a special district, the Board of Supervisors must negotiate on behalf of the district.

**NOW, THEREFORE**, the Board of Supervisors of the County of Los Angeles and the City Council of the City of Santa Clarita hereby resolve as follows:

**Section 1.** That the County and the City agree to transfer jurisdiction over Zone No. 47 from the County to the City.
